DETAILED ACTION

Allowable Subject Matter

1. Claims 1-26 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 1-26 are allowable since certain key features of the claimed invention are not taught or fairly suggested by the prior art. In claim 1, "responsive to said first of said data elements, automatically selecting a corresponding data format from a plurality of pre-existing data formats for use with a second data input into a second data field". In claim 18, "responsive to said first of said data elements, said routine being adapted to select from said memory a corresponding data format from a plurality of pre-existing data formats for use with a second data input into a second data field". The closest prior art, "Nokia 7210 User's Guide", Internet Article, 2003, Pages 39-50, (XP002316253), discloses a handheld electronic device that enables data entry of a plurality of data elements into different data fields, however singularly or in combination fails to anticipate or render the above underlined limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ricardo L. Osorio whose telephone number is 571-272-7676.
